

Birthday Parties

Plan you or your child's special birthday party at our farm. Each birthday party includes:

- A 2 hour duration
- A 30 minute hay wagon ride around the orchard
- Picnic table usage
- You bring your own food (pizza, cake, etc.) and decorations
- Fee for use of the place \$100.00, plus \$3.00 per person for the hay ride
- Add-ons dependent upon the season:
 - Pick your own apples - \$3.50 for 1/4 peck bag
 - Sugar pumpkins:
 - \$2.50 each without apple picking
 - \$2.00 each if you also pick your own apples
 - Jack-be-littles, we-be-littles & gourds - \$1.00 each

Children can experience sitting on an old tractor, or can run around and play in the side area next to the former dairy barn, which has been renovated into a retail farm market.

As follow up to your prior confirmed reservation, we require the leader to provide the number of attendees phoned in no later than the day before the birthday party. You are required to setup and decorate the picnic area. We ask that you have one person available to direct cars of party-goers.

We request that you watch the children yourselves and clean up after the party.

Contact us today to book your party event as our calendar availability fills up fast.
